Academy of St. Louis
Auction 2019

Dear Friends and Supporters of the Academy:

Founded in 2004, the Academy of St. Louis is a non-profit private school that provides a unique environment for students from kindergarten through high school who struggle with learning challenges. We specialize in developing a highly individualized education plan for each student that addresses academic, social, and functional areas. In addition, we provide job planning and transition services for our students as they transition out of high school. The Academy is accredited by AdvancEd NCA CASI whose high standards ensure excellence in teaching and consistent student progress. Our programs change the lives of students.

This year, The Academy of St. Louis is celebrating its 15th annual "Evening of Hope and Promise" dinner auction on Saturday, March 30, 2019 at Double Tree Hotel at Westport. We expect an attendance of over 250 guests, providing a large audience for advertising opportunities. Last year we raised over \$130,000 for these children and you can help us reach more students as we continue to grow and expand our school. Please consider the following tax-deductible donations:

-Program advertisement

-Sponsorship opportunity

-Auction items/gift certificates

-Cash donation

Simply return the enclosed Sponsorship and Donation Form to the address indicated; details about each opportunity are provided on the form. Your contribution will make a significant difference in the lives of children and families dealing with disabilities and developmental delays. On behalf of the students, teachers, and staff of the Academy, thank you for your thoughtful consideration.

With gratitude for your support,

Kelly Winter
