

ACADEMY OF ST. LOUIS

*Providing Hope, Promise & Opportunities
For Students with Learning Challenges*

Dear Friends and Supporters of the Academy:

Founded in 2004, the Academy of St. Louis is a non-profit private school providing a unique environment for Kindergarten through high school students who struggle with learning challenges.

We specialize in developing a highly individualized education plan for each student that addresses academic, social, and functional areas. In addition, we provide job training services for our students as they transition out of High School. AdvancEd NCA CASI, whose high standards ensure excellence in teaching and consistent student progress, accredits the Academy. You can learn more about the Academy at www.acadstl.org.

Our programs change the lives of students.

This year, the Academy of St. Louis is celebrating its 21st annual "Evening of Hope and Promise" dinner auction on Saturday, April 25, 2026, at St. Joseph of Manchester Parish.

We anticipate an attendance of over 275 guests, providing a substantial audience for advertising opportunities. Last year, we raised over \$150,000 for these students, and you can help us reach even more students as we continue to grow and expand our school.

Please consider the following tax-deductible donations:

Program Advertisement Auction Items/Gift Certificates

Advertisement Opportunities Monetary Donations

Return the enclosed Donation Form to the address indicated; details about each opportunity are provided on the form. Your contribution will make a significant difference in the lives of our students and their families dealing with disabilities and developmental delays.

On behalf of the students, teachers, and staff of the Academy, we thank you for your thoughtful consideration.

With gratitude for your support,

Kelly Winter, Events Coordinator
