

ACADEMY OF ST. LOUIS

*Providing Hope, Promise & Opportunities
For Students with Learning Challenges*

“An Evening of Hope & Promise” Dinner Auction | April 24, 2027

Dear Friends and Supporters of the Academy:

Founded in 2004, the Academy of St. Louis is a nonprofit private school providing a unique environment for students, kindergarten through high school, who struggle with learning challenges. We specialize in developing a highly individualized education plan for each student, addressing academic, social, and functional areas. In addition, we provide job training services for our students as they transition out of High School. AdvancEd NCA CASI, whose high standards ensure excellence in teaching and consistent student progress, accredits the Academy. You can learn more about the Academy online at www.acadstl.org.

Our programs change the lives of students.

This year, the Academy of St. Louis is celebrating its 22nd Annual "Evening of Hope and Promise" Dinner Auction on Saturday, April 24, 2027, at St. Joseph of Manchester Parish. We anticipate an attendance of over 300 guests, providing a substantial audience for advertising opportunities. Last year, we raised over \$200,000 for these students, and you can help us reach even more students as we continue to grow and expand our school.

Please consider the following tax-deductible donations:

- Program Advertisement Opportunities
- Auction Items/Gift Certificates & Monetary Donations

Return the enclosed Donation/Sponsorship Form to the address indicated; details about each opportunity are provided on the form. Your contribution will make a significant difference in the lives of our students and their families dealing with disabilities and developmental delays.

**On behalf of Academy students, teachers, and staff,
thank you for your thoughtful consideration.**

With gratitude for your support,
Kelly Winter, Events Coordinator
